

Rebranding Reinforces Kemin Nutrisurance Promise to Customers

Pet food division launching new visual identity and communications strategy

DES MOINES, Iowa (March 29, 2017) – Kemin Nutrisurance, the pet food and rendering technologies division of Kemin Industries, is launching a new visual identity and communications strategy to showcase its innovative product range, industry-leading technical expertise and unparalleled commitment to pet food manufacturers, renderers and ingredient suppliers worldwide.

“The rebrand theme is built around the promise that *Kemin Is Assurance* throughout every step of the pet food manufacturing process,” said David Raveyre, President of Kemin Nutrisurance. “We are committed to assuring customers around the globe that with Kemin Nutrisurance, they will experience consistency and excellence across our portfolio of stability, palatability and food safety solutions.”

The updated positioning statement, tagline, brand imagery and product logos will have far-reaching impacts worldwide, as Kemin Nutrisurance products and services touch 1.3 billion lives annually. The new communications strategy and redesigned visual identity will be reflected throughout the division’s marketing initiatives including advertising, social media, global tradeshow, symposiums and website content at www.kemin.com/assurance.

“While Kemin Nutrisurance is already a leader in the pet food industry, our rebranding efforts will help better differentiate our complete portfolio of product and service solutions,” said Steve Malone, Director of Marketing for Kemin Nutrisurance. “We are excited to use strategic cross-channel messaging to elevate the benefits of our partnership with customers around the world.”
