

Kemin Food Technologies - Asia Appoints Indesso as New Distribution Partner for Indonesia

SINGAPORE, Oct. 8, 2026 /PRNewswire/ -- Kemin Industries, a global ingredient manufacturer that strives to sustainability transform the quality of life every day for 80 percent of the world with its products and services, has appointed PT Indesso Niagatama as its new distributor for Kemin Food Technologies – Asia in Indonesia, effective September 15, 2026.

This strategic partnership strengthens market presence of Kemin Food Technologies – Asia in the country and enhances the business unit's ability to support food manufacturers with advanced solutions to extend shelf life, enhance food safety, and elevate food quality.

"Partnering with Indesso allows us to better serve our customers in Indonesia and support them in tackling tomorrow's food challenges," said LiewGin Lim, President, Kemin Food Technologies – Asia. "Together, we aim to help manufacturers maintain product integrity and keep food safer and fresher for longer."

Around the world, Kemin's technologies improve the safety, stability, and sensory experience of food and beverages. The company's Customer Laboratory Services offer tailored scientific support to accelerate product development and market success. Together, with Indesso's deep local expertise and Kemin's global innovation capabilities, the partnership will create greater value in the Indonesian food industry.
